### PROJECT IDENTITY

The project is co-funded by the EU Programme Erasmus+

Key Action:  
Cooperation for innovation and the exchange of good practices.

Action:  
Strategic Partnerships.  
Field: Strategic Partnerships for youth.

Main objective:  
Development of Innovation.

The final conference of the project took place in Nicosia, Cyprus on January 17, 2019. The event was hosted by the Global College. During the event, the partners have presented all the intellectual outputs created with the project. The participants had the opportunity to try in the plenary one of the non-formal tools created during the project.

The tool was an activity on storytelling titled "My personal story" which can be found on the "ARTSQUAD Train-the-trainer Curriculum" on the project website.

The activity involved the use of small cans containing scented items (lavender, baby powder, lemon zest, shoe polish etc.) The facilitator encouraged the participants to use their personal memories as a way to improve their confidence in public speaking. The aim of the activity was to demonstrate how to promote co-operation, awareness and empathic response.

A key-note speech on Storytelling was given by the educator Mrs. Katerina Kyriakou.

On January 18, the coordinator has hosted the last transnational project meeting in Hotel Castelli where the partners have agreed on steps for the dissemination and the sustainability of the project results.

All the intellectual outputs of the project are going to remain freely available on the project website.
