

Results from a plenary dialogue on the role of youth workers in regards to the young people's secure online engagement, online safety and understanding privacy policies.

ADD ME- Training Course in Cyprus

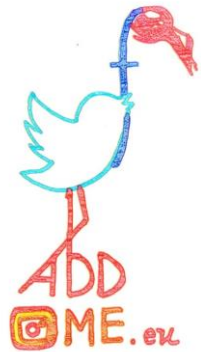

Secure online Engagement

How can we, as youth workers, help the young people manage online information and keep it safe from online risks like identity theft, phishing, internet scams?

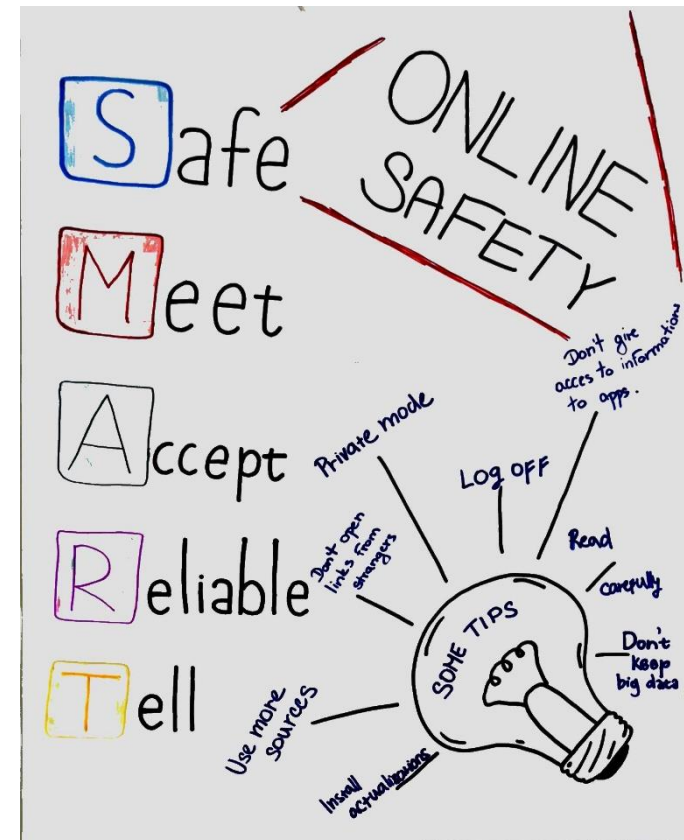

SECURE ONLINE ENGAGEMENT

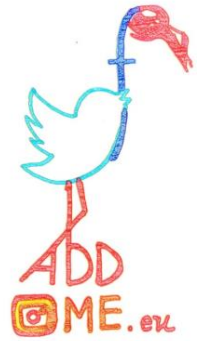

- ⚓ DISCOVER THEIR WEAKNESSES
- ⚓ QUALITY TIME
- ⚓ POPULATE THE GOOD USAGE
- ⚓ EDUCATE AND SHOW EXAMPLES
- ⚓ SHOW THE HARM THAT THESE FRAUDS CAUSE TO OTHERS AND PREVENT PEOPLE FROM BECOMING A SCAMMER
- ⚓ BE SUSPICIOUS → UNKNOWN PEOPLE

Online Safety

How can we, as youth workers, help the young people distinguish between inappropriate contact and positive connections?

Privacy Policies

How can we, as youth workers, help the young people understand privacy policies and what they really mean for subscribers?
