Bucharest has only one international airport - Henri Coanda international airport (OTP), which is located around 15 kilometers away from the city center of Bucharest.

**How to get from the airport to the hotel**

**BY BUS:** Taking the bus 780 from the airport to Gara de Nord (Bucharest Nord Railway Station), you have to stop at Gara de Nord bus station.

In order to take the bus from the airport, you have to go down one level from the arrivals hall and go outside. The bus station is just in front. On your right you will see the ticket office. From there you have to buy a ticket (the ticket is for both ways – keep the card and the receipt).

From Gara de Nord bus station, you have to take the Metro - line M1 (Direction Republica. The Metro entrance is next to KFC. You have to travel 4 stops and get off at Grozăvești (Grozavesti) stop. From this metro stop the Hotel is 3-4 minutes away walking. See the directions below:
Don’t be shy to ask people in the street, Romanian people are very welcoming, or to use travelling apps.

**BY TAXI**

You can use the counters for ordering taxis in the arrivals hall at the airport. The regular taxis charge is around 1.39 - 1.4 lei / km. It should cost around 62 lei, which means around 12-13 Euros. You should be able to pay in cash! The journey will be faster than by bus. If you choose taxi, before to start your journey ask the driver for price and also ask for bill/receipt.

**BY ANY OTHER MEANS OF TRANSPORT**

In case you need some help with directions, please let us know.
