ABOUT THE PROJECT

“Fostering Entrepreneurial Mindset in Migrants through Education” (FEMME) will develop the entrepreneurial mindset and related hard/soft skills in first and second generation female youth migrants aged 18-25 potential entrepreneurs. Direct project target will be first and second generation youth female migrants aged 18-25 from partner countries suffering from socioeconomic marginalization, interested and motivated in becoming entrepreneurs, kick-starting and developing their entrepreneurial ideas. The project will also directly target youth workers from partners, interested in acquiring instruments of entrepreneurial support to youth female migrants. Indirect project target is the wider audience of disadvantaged migrant female youths in partner countries and Europe as well as the youth operators and organizations who work with the foregoing target either specifically or as a subset of the wider youth population.

OBJECTIVES OF THE PROJECT

- To provide equity and development, regardless of the individual skin color, ethnicity, political views, religious beliefs, especially among young people;
- To connect with each other active young people and to expand and share ideas and opinions;
- To protect primary human rights, to raise civic awareness, development and progress.
WHO CAN APPLY?

The mobility will involve youth workers aged 22+, forming part of the staff of partner organizations and experienced in the delivery of training programs in the field of youth and in working with an audience of youth migrants. Experience in working with female youth migrants will not be compulsory but will entitle to preference in the selection process.

HOSTING ORGANIZATION

Centre Interculturel du Développement (Intercultural center of development) is a nongovernmental organization funded in Paris, France. ABOUT THE CITY

Paris, city and capital of France, situated in the north-central part of the country. One of the most beautiful cities in the world. Home to historical monuments such as Notre Dame, the Eiffel tower (320m), Bastille, Louvre and many more. Much of the city was re-designed by Haussmann in the 19th century. Paris has a population of more than 2.5 million people, and the city is divided into 20 "arrondissements" (districts) which are numbered 1 to 20.

HOW TO REACH PARIS?

Paris can be easily reached from all the major cities of the world. It is served by three international airports: Charles de Gaulle International Airport, Orly International Airport and Beauvais. Paris enjoys also excellent railway connectivity to all other parts of France and the rest of Europe. No single junction exists for all trains; however, there are six different railway stations, which are not connected to each other but run trains to and from various other cities and European countries. Some of the important trains in Paris include the Train Express Régionale, Trains à Grande Vitesse, the high-speed Thalys, and the Eurostar and Intercity trains. Also bus can be a good option as the city it's connected with the magiority of cities in europe.
Person aged 12 and over entering French territory must present a negative PCR or antigen test less than 24 or 48 hours old, depending on the country of origin. Individuals with a complete vaccination schedule arriving from a Member State of the European Union, Andorra, Iceland, Liechtenstein, Monaco, Norway, San Marino, the Holy See or Switzerland are exempt from this rule. All the commercial places are open except the night clubs. You will be asked for PCR test or vaccination certification before entering in public places.
