3-day training event in Predeal, Romania

Training Title: Romania Bushcraft as a Youthwork Tool (BYT) Residential

Training days: 16-18 September 2022 (3 days of training)

Travel dates: Thursday, 15 September 2022 & Monday, 19 September 2022

For Who? Youth work practitioners, youth volunteers, young people and researchers

Language: English

No of participants /partner: 5 (Romania, Cyprus, Ireland, Italy)

International travel: You can fly to **Bucharest (Otopeni Airport)** and then travel by **train to Predeal**. From the Airport to the main train station in Bucharest – Gara de Nord, there is a direct train (every 40 minutes). You can check the timetable for the train ride [here](#). *Adina and Ema will assist the national groups in planning the trip to Predeal!

COVID-19 safety measures: From 1st May 2022: Travelers arriving in Romania from any country of the world will no longer be subject to any COVID-19 management requirements. However, as the number of cases started growing, restrictions might come!

Accommodation and Meals:

You will be accommodated in [Hotel Carpati](#) - in Predeal in **double rooms. Full boarding** (meals and coffee breaks are provided at the hotel).

Additional info:

- If single rooms are required, we would need to know asap!
- Dietary needs should be communicated to the hosting team as soon as participants are selected.

Working rooms:

We will work in the Hotel Conference Room (indoor) and outside the hotel (outdoor).

Catering:

Meals will be provided based on your dietary needs at the local restaurant of the hotel.

Culture evening:

Bring some traditional snacks and drinks, we will organize some intercultural moments.

What to bring with you:

Autumn weather can be unpredictable, be prepared for different conditions☺

Bring comfortable clothes, shoes.

Bring medicine if you need any.
